COGS ENDORSEMENT- Press Release May 29, 2020

Coalition of Greater Scottsdale (COGS) is proud to announce our endorsements of Bob Littlefield for Scottsdale Mayor and Betty Janik, Guy Phillips, and Tom Durham for Scottsdale City Council.

COGS asked each of the 14 candidates to complete a detailed questionnaire covering topics of interest to Scottsdale residents. All returned candidate questionnaires may be found on our website: www.cogsaz.net

A survey of COGS members was conducted to provide guidance to the COGS Board's deliberations. Following this process and after evaluating candidates' previous involvement in Scottsdale interests and their actions while serving on City Council, city committees, task forces and commissions, the COGS Board was confident that these endorsed candidates support the COGS mission and values, and will staunchly represent Scottsdale citizens in protecting our neighborhoods and Scottsdale's special character, high quality of life and economic vitality.
